Description

Duralay LVT Low-Grab Underlay is a versatile flooring solution designed for LVT Click installations. The setup process is quick, clean, and straightforward; the underlay is laid loosely over the existing floor. The new floor is positioned and pressed onto the 'low-grab' layer. Suitable for LVT Click floors. Unique anti-slip backing. Significantly reduced installation times and costs. Quick to install and easy to handle. Preparation time for the underlay is greatly reduced.
