Description

Luxerton Supreme is a lightweight nonslip underlay made from high-quality needle felt with a double-sided latex nonslip coating. The rolls are covered with a film. It creates a reliable and comfortable base while preventing curling of carpets. It is free of plasticizers and can be used on carpet, parquet, laminate, ceramics, cork, and LVT. Suitable for both residential and project use.

- Lightweight and easy to install
- Levels out small unevenness in the subfloor
- Extends the lifespan and preserves the original appearance of the carpet
- Environmentally friendly production
- Suitable for use with underfloor heating

Specifications
