Description

Luxerton Standard is an anti-slip rug underlay made from latex-impregnated needle felt. This lightweight anti-slip rug underlay creates a reliable, stable base underneath any rug. It contains no plasticisers and makes an optimal contribution to the luxurious look and comfort of the rug. Luxerton Standard can be used on carpet, parquet, laminate, ceramic, cork and LVT, and is suitable for domestic use.

- Lightweight and easy to install
- Smooths out minor irregularities in the subfloor
- Extends the rug's lifespan and preserves its original appearance
- Environmentally friendly production

- Suitable for use with underfloor heating
