## Description

The Gripperrods Floorworks Gripper is a carpet gripper specifically designed for use on stairs. It combines Microplast tape with standard profile pins, ensuring secure attachment for felt-backed carpets.

The pins prevent the Microplast tape from gripping the carpet too early, allowing you to tuck the carpet neatly into the stair gully. Once in place, the pins and Microplast tape work together to provide excellent grip.

- Specifically designed for stairs
- Suitable for installations with underlay
- Recommended for felt-backed carpets

# Gripperrods Floorworks Gripper for stairs - pin 4,8 mm - Microplast Tape & wood nail - 100 x 1,52 m.
