Description

Premier Ramp Edge is a premium self-adhesive profile designed to create a seamless transition to vinyl or other resilient flooring. This profile delivers a neat, stable finish between uneven floor heights.

- Thanks to the self-adhesive strip on the underside, no drilling or screwing is required.
- Ensures a smooth transition between different floor levels
- Suitable for vinyl and other resilient flooring types
- Premium self-adhesive ramp profile
- No need for drilling or screwing
- Provides a tidy, professional finish between floor transitions

Premier Ramp Edge stick down brushed light bronze (32,4 mm) 5 x 2,70 m
