Description

The Roberts 18 V Cordless Power mixer with dual battery is developed for professional mixing without reliance on mains power. The battery operation allows flexible work on-site, even in locations without direct power supply.

The powerful brushless motor effortlessly handles heavier materials. With two gears, six speed settings, and a soft-start feature, you remain in full control and prevent unwanted splashes. The mixer is suitable for paddles with an M14 connection.

- Cordless 18 V mixer
- Powered by the QEP CONNECT battery system

Roberts 18 V Cordless Power mixer - dual battery

Art. nr - R1012C

- Brushless motor for strong performance
- Two gears and six speeds for controlled mixing
- Soft-start reduces splashing
- Suitable for paddles with M14 connection
- Includes Ø120 mm mixing paddle
- Safety switch with lock
- Robust metal drive
- Ideal for professional on-site use

Note: The R1012C requires 2× QEPBA4 4.0Ah batteries and 1× QEPCH1 charger, which are not included as standard. Order RMSPECIAL for the complete set with 1× R1012C, 2× QEPBA4, and 1× QEPCH1.

For use within the EU, a suitable UK-to-EU plug adapter is required for the QEPCH1 charger.
