Description

The Roberts deluxe leather tool pouch is specifically developed for professional floor fitters who want to keep small tools easily within reach. Special leather inserts keep tools securely in place during work.

Crafted from 100% genuine leather and double-stitched for added strength and longevity. The pouch attaches firmly to your belt so you can conveniently carry your most-used tools during installation.

- Made from 100% genuine leather
- Double-stitched for extra durability
- Special leather inserts securely hold tools
