Description

The Roberts Deluxe carpet trimmer is expertly designed for precise finishing of carpets along walls, edges and low skirtings. It trims loop pile carpets with ease, allowing for close cutting alongside the yarn edge for a flawless finish.

The foldable handle can be adjusted to five positions, making it easy to use even in tight or awkward spots. Suitable for both left- and right-handed use, this trimmer supports controlled and accurate work during professional carpet installations.

- Ideal for loop pile carpets
- Cuts closely along the yarn edge
- Usable in both left- and right-handed positions
