Description

Roberts repair putty has been developed to restore and finish minor damage in wood, laminate and LVT floors. This putty is suitable for filling joints, light scratches, dents, nail holes and screw holes, both during installation and for repairing existing floors.

The fast-drying acrylic formula does not shrink and is easy to apply, spread and sand for a neat finish. Various colours can be mixed to best match the colour of your floor.

Available in 8 colours: brown, grey, tan, dark brown, greige, natural, white and black.
