Description

Roberts repair putty has been developed for the restoration and finishing of minor damage in wood, laminate and LVT flooring. The putty is ideal for filling seams, minor scratches, dents, nail holes and screw holes, both during fitting and when carrying out repairs to existing floors.

Its fast-drying acrylic formulation will not shrink and is easy to apply, spread and sand down for a neat result. Different colours can be blended together to match the colour of your floor as closely as possible.

Available in 8 shades: brown, grey, tan, dark brown, greige, natural, white and black.
