Description

Roberts repair putty has been specially developed for the restoration and finishing of minor imperfections in wood, laminate and LVT flooring. The putty is suitable for filling gaps, scratches, dents, as well as nail and screw holes, both during installation and for repairs to existing floors.

A fast-drying, non-shrinking acrylic base makes application easy. The putty is simple to spread and smooth out for a professional result. Different colours can be blended to achieve the best possible match with your floor.

Available in 8 colours: brown, grey, tan, dark brown, greige, natural, white and black.

- For wood, laminate and LVT floors
