Description

Roberts Repair Putty is specially designed to restore and finish minor damage in wood, laminate and LVT floors. It is suitable for filling gaps, scratches, dents, as well as nail or screw holes, both when installing new flooring and for repairs to existing surfaces.

The fast-drying acrylic base does not shrink and is easy to apply, spread and sand for a neat result. Multiple colours can be blended together to closely match the floor shade.

Available in 8 colours: brown, grey, tan, dark brown, greige, natural, white and black.

- Suitable for wood, laminate and LVT floors
