Description

Roberts Repair Putty has been developed to repair and finish minor imperfections in wood, laminate and LVT flooring. The putty is ideal for filling seams, scratches, dents, nail and screw holes, whether during installation or when renovating existing floors.

Its fast-drying acrylic formula does not shrink, and is easy to apply, spread and sand for a flawless finish. Different colours can be mixed to match your floor as closely as possible.

Available in 8 colours: brown, grey, tan, dark brown, greige, natural, white and black.
