## Description

Roberts repair putty has been specially developed to repair and finish small imperfections in wood, laminate and LVT floors. The putty is ideal for filling joints, scratches, dents, nail holes and screw holes, both during installation and when carrying out repairs to existing floors.

Featuring a fast-drying acrylic base, it does not shrink and is easy to apply, spread and sand for a seamless finish. Different colours can be mixed together to achieve the best possible colour match for your floor.

Available in eight shades: brown, grey, tan, dark brown, greige, natural, white and black.

- Suitable for wood, laminate and LVT floors
- Fills small damages, gaps and scratches
