Description

Roberts repair putty is specially designed to restore and finish small imperfections in wooden, laminate and LVT floors. It can be used to fill gaps, scratches, dents, nail holes and screw holes, both during installation and for repairs to existing flooring.

With its fast-drying acrylic base, it will not shrink and is easy to apply, spread and sand for a neat result. Different colours may be blended to match your flooring as closely as possible.

Available in 8 colours: brown, grey, tan, dark brown, greige, natural, white and black.

- For wooden, laminate and LVT floors
- Fills minor imperfections, joints and scratches
